ROYAL DANISH YACHT CLUB

This event will be a great opportunity for women's to Match Racing as a part of Women's World Match Racing Tour 2023

The Women's World Match Racing Tour has been created with the support of WIMRA (Women's International Match Racing Association) to continue the legacy of the long-running WIM Series

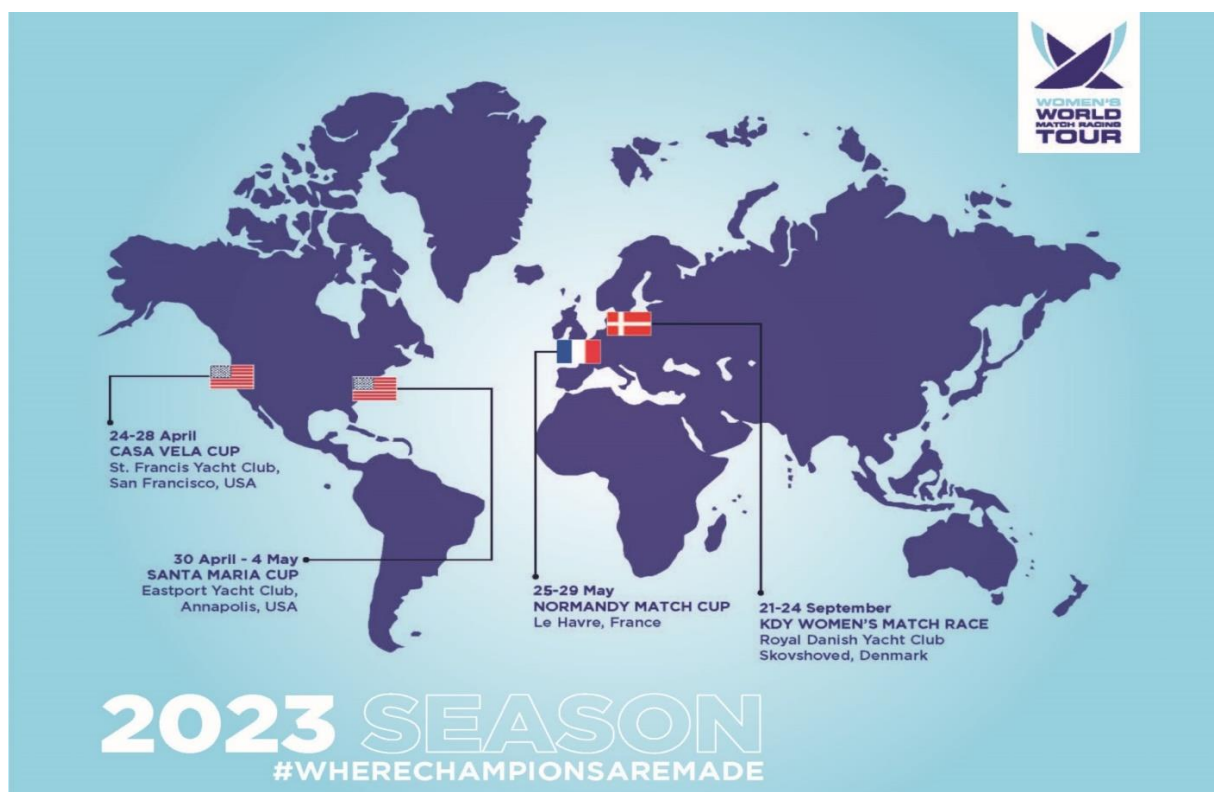

ROYAL DANISH YACHT CLUB

founded by WIMRA in 2013 following the success of women's match racing at the London 2012 Olympics. There are currently over 200 female match racing sailors on the World Sailing global ranking.

The World Match Racing Tour is pleased to announce the launch of the first Women's World Match Racing Tour, a global professional series designed to promote and grow female participation in sailing and match racing around the world.

The inaugural 2022 Tour features four events in France, Denmark, Greece and the 2022 Women's Match Racing World Championship in Auckland, New Zealand.

Clean Regatta

KDY Women's Match Race – a part of Women's World Match Racing Tour 2023 – stage 4, finals will be held as an Clean Regatta.

ROYAL DANISH YACHT CLUB

- Same was made in 2022 with success. A Platinum level certification was given from non-profit organization Sailors For the Sea. Same 20 goals will be followed during regatta in 2023.

You should not feel any change during racing, just think sustainable and follow instructions on signs where you are.

See what we all achieved on sustainability and how Worlds cleanest regatta in 2022 went out from a sustainable perspective in report here:
